RESULT: Carried.

CITIZEN COMMENTS:

There were no citizen comments.

ANNOUNCEMENTS/CORRESPONDENCE/INTRODUCTIONS:

Tripp received communication from the American Library Association asking to contact legislators to set the agenda early. Tripp could not relocate that communication.

(Marshall joined at 12:33 pm)

MINUTES:

MOTION #35⁽²⁰⁾: To approve the Board of Trustees minutes dated September 23,

2020 (Doc. #038-20). Holte/Tobias

RESULT: Carried.

Gardner noted that Maureen Welch was listed as attending and will be amended as she did not attend.

dated September 23, 2020 (Doc. #037-20). Daus/Pavelski

RESULT: Carried.

FINANCIALS:

Tripp asked Button to make note of any items to mention. Button noted that page 19 - Profit & Loss column includes the revised budget. Those budget figures were approved last month. Button was asked to change that heading to annual budget which Button will do for the next meeting.

MOTION #37⁽²⁰⁾: To approve the September/October 2020 Check Registers

(Doc. #039-20). Lieffring/Daus

RESULT: Carried.

(Brue joined at 12:38 pm.)

MOTION #38⁽²⁰⁾: To approve the September/October 2020 Financial Reports

(Doc. #040-20). Stelter/Holte

RESULT: Carried.

Questions asked were about the difference in miscellaneous income from 2019 to 2020 and savings in telephone expenses.

Tripp asked about the difference in interest income. If had to tell someone in a nutshell, where to cut back for a \$24,000 shortfall, where would you cut back in a normal year. Button noted we are down a position this year. In other years where fluctuated, always budgeted conservatively. Button added that there is enough in reserves to cover that bit of fluctuation.

Tobias wondered why telephone bill and not just a local area network bill. She noted that a lot of people have given up their phone lines. Button noted that the biggest reason phone costs have decreased is we are using voice over internet protocol. Most of the phone traffic is over the internet, but we still need to pay for dedicated phone and fax lines. Button will ask Kris Schwartz for explanation and report at the next meeting.

DIRECTOR'S REPORT:

Thompson noted that COVID-19 cases have gone up dramatically. Many Eau Claire hospitals are at or near capacities. Several counties have seen large spikes. Many libraries are transitioning back to doing curbside pickup. A couple library staff members have had positive test results. They closed the library for the needed time before reopening. A couple libraries closed completely until the end of November, including Eau Claire. Northern Waters Library System shut system down because all staff and delivery exposed. IFLS staff are doing good and practices being safe by limiting exposure in office. Some work at home, some at office, and some a mix of both.

The Spring Valley Library Director submitted her resignation for mid-December. They are actively recruiting for a new director. Roberts and Spring Valley are in the accepting and reviewing application stage. New Richmond and Hudson have not posted their director position yet. Libraries are working on budgets and keeping services going. Achterhof noted that the four open positions are in one county – St. Croix.

Achterhof inquired if the system directors were meeting regularly before COVID-19. Thompson said they started meeting virtually every week. Initial discussions were on COVID-19. The group has also discussed mental health for themselves and library staff. Other projects have been rolled in as well. There has been some very good conversations and the group will likely continue.

Brue talked to the director at Baldwin today. Libraries have been doing a lot of communicating and it has been very helpful and supportive of each other. Thompson noted Leah Langby has done an awesome job of conducting check-ins with librarians. IFLS maintains virtual contact with various groups and conducts individual follow-ups. Leah Langby has been instrumental in coordinating all of this. Kudos to Leah!

NOMINATION COMMITTEE:

Tripp asked that Pat Eggert, Marilyn Holte, and Bun Hanson serve as the nomination committee to come up with a slate of candidates for the January 2021 election of officers.

MOTION #39⁽²⁰⁾: To approve Pat Eggert, Marilyn Holte, and Bun Hanson to serve as the

Nomination Committee for 2021 elections. Achterhof/Lieffring

RESULT: Carried.

Gardner will contact the nomination committee and coordinate to meet.

2021 RESOURCE LIBRARY AGREEMENT:

This is a yearly agreement with L.E. Phillips Memorial Library (LEPMPL) in Eau Claire to act as our Resource Library. It is part of state statutes to have one. The agreement is unchanged from the last few years. It is on their agenda to approve tomorrow night. Thompson would like approval for Tripp to sign once they sign off on it.

MOTION #40⁽²⁰⁾: To approve the 2021 Resource Library Agreement (Doc. #042-20).

Stelter/Daus

RESULT: Carried.

Holte noted we need to appreciate LEPMPL for their willingness to accept the amount we give to them. It is a service we receive and are very thankful to have.

Thompson noted that IFLS provides LEPMPL with \$23,000 a year to help them provide a collection that is not readily available to the other libraries within IFLS, virtual services, and databases. They also provide access to their in-house collection.

Achterhof asked how it affects what they do for the system while they are closed. Thompson replied that the closure is temporary due to COVID-19 and does not impact the agreement. While their physical collection is not available temporarily, there is still virtual services and databases available to all IFLS libraries.

Tripp agreed with Holte that LEPMPL is an important resource and we are lucky that they are a cooperative resource to work with.

2021 STATE LONG RANGE PLAN AND BUDGET:

MOTION #41⁽²⁰⁾: To approve the 2021 State Long Range Plan and Budget

(Doc. #043-20). Marshall/Brue

RESULT: Carried.

Thompson noted that the long-range plan narrative was reviewed and approved at the September board meeting. After approval, the budget numbers are fit into the programs that the state requires us to complete as part of the plan.

REPORTS:

Staff Reports:

Written staff reports are provided in the meeting packets. Leah Langby is here to expand on hers if there are questions.

Tripp asked if the Fumbling with Facebook webinar was recorded. Langby noted all webinars are recorded and captioned. They are available on the IFLS website. Langby also provided a link to the chat box.

Prichard asked if users could have Facebook without ads on their stream. Thompson replied that tech companies are adept about tracking what you are doing. The only measures a user can do is clearing your cache and browser history. Users will still get some ads on social media platforms such as Facebook. That is the nature of how they make money. Langby added that there has been talk about a Netflix program called The Social Dilemma which delves into how social media platforms work.

Achterhof asked Langby to expand a bit on the Wisconsin Libraries Transform Communities project. Langby replied that it is based on putting together great tools for libraries for

community engagement. It provides tools for both the libraries themselves or connections with other partners in the community for what people wish for in their community, such as clean parks, better school systems, or more connections. Another part of the project is connecting via monthly sessions with the coaches. Langby is learning a lot and applying what she has learned to working with the libraries in IFLS.

Prichard referenced the decrease in ILL Clearinghouse Statistics for August through October. He thought that would be increased with library closures. Thompson replied that those requests were for items outside the system area. A lot of traffic is handled internally within the MORE system. A lot of libraries statewide closed as well as the statewide delivery service. As libraries reopened, not everyone was placing holds outside of the system boundaries.

Board Member Reports:

Prichard reported that at the Polk County Board meeting where they adopted the 2021 budget, includes an increase in the Act 150 amount from 90% to 95% for 2021. Prichard added that the five-year aspiration goal was 100%.

Tripp wished all well with the COVID-19 pandemic getting to a crisis stage. Folks need to pay attention to their local health department orders. It is hoped vaccinations will be available soon and he is looking forward to getting together again. Happy holidays were wished to all.

ADJOURNMENT:

The meeting adjourned at 1:26 pm.

Agenda Items:

- **VII.** * **Election of 2021 Officers** --- The nomination committee has created a recommended group of individuals for possible election of Executive Committee/Officers. Nominations can also occur at the meeting. This year elections will occur via a "poll" during the meeting.
- **X.** * Funds Carried Over for Accessibility Audits --- Due to COVID restrictions the audits did not occur in 2020. Our hope is to conduct both the 2020 and 2021 audits later this year. We are requesting that the funds allocated in the 2020 budget be rolled into the 2021 budget.
- **XII.** * Committee Appointments (Executive, Personnel) The Board Chair will be contact individuals following the meeting to serve on Personnel and be officers on the Executive Committee. The appointments will be distributed by IFLS staff to the IFLS Board when the groups are finalized.
- XIII. COVID-19 Update Presented at the Meeting.
- XIV. Library Legislative Day

LIBRARY LEGISLATIVE DAY 2021 - GOING VIRTUAL!

Tuesday, February 16 - Thursday, February 18, 2021

The Wisconsin Library Association is making the annual Library Legislative Day even easier to attend – they are going virtual! In making this change, they listened to many members who wanted to plan for the event as early as possible. Others have always wanted to attend, but could not because of distance, scheduling, or snow!

Their traditional morning agenda will be held via video conference on February 16 and virtual appointments with legislators will be spread out during the week.

To register visit: https://www.wisconsinlibraries.org/library-legislative-day if currently a WLA member. If not a WLA member contact Joanne Gardner for registration assistance.

Monthly Activities:

Director Openings—Currently Glenwood City (Former director hired as Spring Valley Director), New Richmond and Hudson have posted their openings. Tori Schoess is the new director in Roberts. Menomonie will be posting later this year.

Building Projects—I am working with the Amery staff as they work with the architect and city staff in redesigning the Bremer Bank building into the new city center. The library, city hall, and police will be the primary occupants of the building. The library will be in the lower level (basement) and a portion of the main floor.

The Ellsworth City Council has signed an offer to purchase the former BMO Bank building in downtown Ellsworth. The goal is to raise funds to complete some basic/essential remodeling to allow the library to move into the main level of the building. The Ellsworth building committee first began their work in October 2012.

Glenwood City is currently developing plans for a new city building including the library. The former director and I shared some thoughts with the architect prior to the design phase. I believe city staff are working with the architect on design ideas. I have offered to provide further assistance but still waiting to hear from them.

I am consulting with Balsam Lake on converting the former police department office and storage area into a makerspace/storytime space. They are currently soliciting a cost estimate for the project.

County Planning—I am assisting Eau Claire County with their library planning efforts. They have held two meetings and are just starting the review and redrafting of the library service plan.

Annual Reports—Juli Button and I will be starting the annual report season very soon. Our annual workshop will be virtual this year and plan several sets of virtual "office hours" to assist libraries in completing their reports. Due to COVID this will be a new experience for everyone.

Public Library System Redesign (PLSR) Implementation – For the status of the implementation visit https://dpi.wi.gov/coland/plsr-update. This site will be updated as the process moves forward. Currently statewide delivery and professional development are the first recommendations being worked on by Division staff and stakeholder groups.

Consulting—COVID, personnel, buildings, budgets, county planning, funding agreements, director hiring, planning, library law, and library administration.

January 2021 – IFLS Board of Trustees

LSTA grant application, Resource Sharing: ILS Migration

My IFLS colleagues and I submitted a grant application on behalf of Fairchild Public Library and Durand Community Library to cover the costs of joining the MORE consortium. Fairchild Public Library has joined MORE regardless of the grant award, but Durand's membership is contingent on the award.

Work is well-underway to add Fairchild's items to the MORE system, with an anticipated "live" date in late spring or early summer. If the grant is awarded, we will get started with adding Durand's items as soon as feasible.

MORE library app

A volunteer workgroup comprised of library staff and directors are considering two app products for MORE. The group will view product demos and prepare a recommendation for MORE Directors Council about whether to proceed with implementing a library app for MORE, and, if so, which product.

Public Library Annual Reports

As we do each January, my colleagues Kathy Setter, Bridget Krejci, and I are preparing circulation, collection, and other counts we can access for MORE-member libraries' annual reports.

As expected, circulation counts were down in 2020 compared to 2019 at all libraries, with the largest decreases percentage-wise at the largest libraries, which experienced the greatest service disruptions.

IT Director Report

IFLS Board of Trustees, January 2021 Kris Schwartz, IT Director

Email security training for library staff

Last year library systems in Wisconsin were awarded a grant for internet and email security training provided through a company called Infosec IQ. With the emergence of numerous versions of ransomware that are generally delivered via phishing emails this is very important and useful training for the libraries. The training is sent out via email campaigns and include a short video and a test after the video to gather data on what information was retained. The training provided helps library staff to recognize what to look for in an email that will tell them the email is phishing. After the campaign is complete, we are given data on how staff scored on the tests overall and can use that data to create future campaigns that are less general and more focused on where the training is needed. So far, the first campaign went well, and we will be launching a new campaign quarterly to keep the new information fresh in everyone's mind and as a reminder to be on the lookout for spam and phishing attempts.

IFLS Library System Board of Directors Library Development and Youth Services Coordinator's Report of Activities

Submitted by Leah Langby January 19, 2021

Keeping Libraries Connected

 We have made a few changes in check-ins—all meet less frequently and have specific topics to guide discussion. We now have one check-in a month for directors from small communities.
 We will also be sure to allow for general discussion as needed at all check-ins, as well!

Continuing Education/Professional Development Highlights:

- Webinars:
 - We finished the last three sessions of a four-part series: Trustees Supporting Library Directors. Presented by Stef Morrill and Melissa McLimans. We had attendees from across the state. We had 65, 68, and 70 attending the webinars, with 61, 21, and 30 viewing the recordings. The live discussion was much more lightly attended, with 15. Check out the recordings here: https://iflsweb.org/knowledge-base/ifls-webinars/
 - Accessibility 101 with Angela Meyers from Bridges Library System was extremely
 engaging and had a lot of actionable ideas. There were 45 who attended it live, and 13
 who have viewed the recording.
- Staff inservice for Somerset staff on Compassion Resilience/Self-Care (1 hour long)
- Upcoming:
 - The <u>Ninth Annual Wild Wisconsin Winter Web Conference</u> on January 27 and 28. This year I'm coordinating and hosting the Public Services Track. This conference is sponsored by all 16 library system, and coordinated by consultants at 3 systems.
 - o Annual Report webinars and office hours coming up in early February.
 - Reb Kilde will present a webinar on March 4 about using plain language for communication.
- Statewide/LSTA-funded professional development collaborations I am assisting with for 2021:
 - Streamline for Success (analyzing services with an eye toward mission/vision/goals)--we have dates scheduled for April.
 - The IDEA project (Inclusion, Diversity, and Equity in Action). IFLS will be the fiscal agent of this LSTA-funded series of webinars, virtual workshops, discussion, and consulting.
- Held follow-up discussions for librarians who attended conferences with scholarship funds from IFLS, as well as a monthly discussion group with people who attended the Library Journal Fostering an Antiracist Library Culture course.

Consulting Highlights

- Talked with 12 library directors about how they are doing related to COVID response.
- Met new youth services librarian from Augusta, new youth services assistant and director in Dresser
- Answered questions about diversity audits, pronouns, and more!

Other projects and learning opportunities

- Attended the Lead the Way Conference (as part of the Wisconsin Libraries Transform Communities project) in mid-November, and continue to get a lot out of the coach meetings for the WLTC project.
- Worked with WVLS and NWLS staff and submitted a Grow with Google grant to allow us to purchase some equipment for libraries (webcams, headsets, and camera/light stands).
- Along with Rebecca Kilde and Kathy Setter, I will be attending Facilitator Training for the <u>Compassion Resilience Toolkit</u>.

January 2021 Board Report

The days are just packed...

ABOUT THE LIBRARIES STEP UP ADVOCACY INITIATIVE

What we're doing

Libraries Step Up is a collaboration between OWLS, Bridges, Nicolet and IFLS library systems to draw attention to all the work that libraries did in 2020. We've developed postcards so that you can help us counter the misperception that libraries have been closed during the pandemic.

How you can help

You are receiving two postcards in your board mailing. Please take a moment to send them out to your state senator and rep. It would be great if they could receive them by Library Legislative Day (Feb 14-18). We'll be continuing this information campaign throughout the spring, so watch for opportunities to Step Up for Your Libraries!

We're here to help you

Not sure what to write?

"I am thankful for my library because..." or "My library helped me in 2020 by..." are great ways to start. It can be short!

Questions? Need additional help? Contact us anytime.

CONSIDER PARTICIPATING IN LIBRARY LEGISLATIVE DAY!

It's virtual this year, so no need to worry about winter roads and travel time. This is a great way to support libraries!

 Register for LLD here (2021 support materials will be added here soon): https://www.wisconsinlibraries.org/library-legislative-day

DPI'S BROADBAND SURVEY ROLLOUT

The DPI asked for our help getting word out about their Broadband Speed survey. The data collected will help inform state initiative to improve broadband access. This is a big barrier to many rural residents in our service area, so we'd love it if you could take the test and widely share this option in your communities. You can take the test multiple times during the survey period, which runs until mid-March.

You can easily access the test on the IFLS homepage, share the post on Facebook, or use this link: https://speed.measurementlab.net/#/

Anne and I worked together on this one; I created a toolkit and Anne is getting the info up on websites. IFLS Facebook post had 816 views, 55 engagements, 37 post clicks as of Jan 19. Bridges library system is using our graphic!

Database Statistics

I'm gathering database statistics for the libraries' and the System annual reports. One standout number is the increase of Ancestry Library Edition (ALE) usage since our vendor allowed remote access beginning in April. In 2020, ALE unique searches totaled 65,070 compared to our 2019 total of 20,481. (NOTE: ALE remote access has been extended through March 31, 2021.)

Wisconsin's Digital Library (WDL)

Another electronic resource with an increase in usage is the WDL.

IFLS Libraries Usage of Wisconsin's Digital Library

Jan-Dec 2020	306,489	355,016	677	662,182

The IFLS libraries also increased their contributions for purchasing OverDrive Advantage copies to help with the increased demand. In 2020, I spent \$121,289.41 for 3415 additional copies as compared to \$59,247.85 for 1670 copies in 2019.

^{*}April-July saw about 59 requests come through the ILL software to be handled despite statewide shutdown of interlibrary loan. Most of these requests were returned to requesting library or their System as unfilled but a few requests could be filled by digital materials.

The number of incoming interlibrary loan requests remains lower than pre-closure. Some libraries have suspended their borrowing/lending which can make filling requests more time consuming. The UW-Madison and the State Historical Society of Wisconsin libraries are not back to full lending yet.
