

Scope proposal

MORE Directors Council, January 2019

Scopes: limiting options comprised of customized groupings of fixed-length fields in bibliographic records.

Our Sierra vendor charges \$1200 for any changes to scope set-up

- Proposal 1: Add an "Adult and Teen" scope (we currently have a "View ALL Children's" scope)
- Proposal 2: Add all book formats to the "Books" scope, including those that have their own scope: large print and graphic novels
 - Current formats in "Books" scope: Book, Board book, Big book
 - Proposed formats in "Books" scope: Book, Board book, Big book, Graphic novel, Book and audio, Large print, Musical score
- Proposal 3: Add new film formats to Movies scope
