## REQUEST

Once you've found an item you'd like to check out, you can request it and it'll be put on hold for you.

- Click the **Place a Hold** button next to the item in your search.
- Select the most convenient library for pick-up. If other people are waiting for the item, you may be added to a waiting list.
- Wait for notification that your item is ready for you to pick up and enjoy.

Sign up for **Library Elf** to get reminders about due dates and holds for you and your family.

## MANAGE

Log in to **My MORE** by using your:

- library card number or user name
- four-digit PIN

See your current check-outs, titles you have on hold, and other information about your library account.

You may **renew** your materials up to two times unless there are holds. You can also call **1-866-MYRENEW** to renew items.

If you would like to request an item but wait to receive it, you can **pause** your hold. You will keep your place in line, but the item will not be sent to you until you remove the pause.

Use the **Shelves** feature to save items for future reference. You can access Shelves through your account.

When you choose to enable your **Reading History**, a list of items you check out will be stored in your account.

Use MasterCard, Visa or Discover to pay fines. Log in to your account, view your fines, and **Pay Online**.
